

# The Mystical Kiss of God

The Stories and Teachings of a Hawai'ian Healer  
by Cosme Castanieto

Cosme Castanieto was born in Hawai'i of Filipino descent and comes from a family line of spiritual healers. For more than forty years Cosme has traveled widely, doing extensive healing work and teaching throughout the United States. He has shared his story, his experiences and his teachings in his new book, *The Mystical Kiss of God*.

Cosme shares his early influences from Hawai'i, his mystical visions, his guidance, and his training, on both the inner and outer levels. There are stories of unforgettable healings, as Cosme shares his secrets for longevity and rejuvenation, and how to co-create our lives with God. He describes in great detail how he sees the body's energy with his spiritual gifts, including many inspiring and memorable teachings, as well as practical exercises for accelerating one's own spiritual intuition and potential.
